About Imgfax

Fast imaging treats life better

A fast-rotating windmill, just like the fast imaging of Imgfax.

We specialize in handheld ultrasound, single-use endoscopy, and are committed to providing compact, intelligent, and fast imaging devices.

Our mission is to improve lives.

For clinicians, greater convenience, less time.
For patients, more compassion, less discomfort.

Come and join us for a better life.

Imgfax Co., Ltd.

Unit I220, 15th Floor, Building 8, Area A, Hantian Technology City, Nanhai, Foshan, Guangdong, China.
